IMPORTANT ORDERING & INSTALLATION INFORMATION

- Single, front threshold design with integrated seat.
- 3-sided integral tile flange to facilitate installation. Must specify drain hand on order.
- 3.5" drain opening pre-drilled.
- Drain finish options on this sheet are upcharge prices only. Contact MTI for ordering details for drain kits sold separately.
- Compliant with ASTM C 1028-07 coefficient of friction test.
- Add proper wet-bedding compound to fully support bottom of shower base. Optional factory installed Pre-Levelled Foam Base negates the need to wet bed when installing on a flat, level subfloor. See installation instructions.

• Options and accessories may be packaged inside the box. Always check packaging before discarding.
 • All product measurements are ±1/2".
 • Specifications and configurations are subject to change without notice.
 • Measurements herein supersede all others published prior to publication date below.

See the Installation & Operation Manual for more details.
